

Full-Time Electrician Opportunity in Germany for Indian Professionals

Propel Overseas, in collaboration with esteemed German partners, offers direct employment opportunities for **qualified Indian Electricians** seeking to advance their careers in Germany. This comprehensive guide outlines the position details, eligibility requirements, application process, and support services available to help you transition smoothly to working in Frankfurt, Germany.

Position Details and Application Process

Job Overview

The position offers full-time employment as an **Electrician in Frankfurt**, Germany. Successful candidates will work in commercial settings such as factories, manufacturing industries, or production facilities. The role provides competitive compensation with a gross monthly salary of approximately **€2,600 in the first year**, increasing to €2,760 in the second year, excluding overtime payments.

The standard working schedule consists of **160 hours per month**, with additional overtime paid according to the employer's HR policies. Employees are entitled to 30 days of annual leave, providing ample time for holidays and visits home to India.

Initially, you will receive a one-year visa that can be renewed by your employer. A residence permit will also be required for your stay in Germany. The employment contract will be issued within 2-3 weeks after successful selection in the final interview.

Eligibility Requirements

- Academic Qualification: 12th pass plus ITI Diploma or Polytechnic Diploma as an Electrician
- Professional Experience: Minimum 3 years of relevant work experience
- Age Criteria: 25-35 years
- Language Proficiency: German A2 Level certification (Goethe/Telc/OSD)

Candidates must also undergo German Academic Recognition processes including Anabin/ZAB Equivalence and Anerkennung, which typically takes 1-2 months to complete. This process ensures your Indian qualifications are recognized by German authorities.

Application Timeline and Process

Service Fees and Inclusions

Propel Overseas charges a service fee of INR 3.60 Lakhs, payable in installments: INR 20,000 (non-refundable) upon registration, INR 1 Lakh upon receiving the contract, and INR 2.4 Lakhs upon visa application submission. This fee covers language assessment, documentation preparation, interview preparation, contract issuance, visa application assistance, accommodation arrangements, and post-landing support in Germany.

Additional costs not covered in the service fee include visa application fees, APS fees, ZAB equivalence fees, ZAV fees (if required by the visa consulate), and courier charges. Candidates should also budget approximately INR 70,000-75,000 for logistics costs including flight booking, medical insurance, travel insurance, and Police Clearance Certificate (PCC).

Required Documents

- CV in Europass Format
- Motivation Letter in Europass Format
- Language Certificates (A2 or B1)
- Degree and Marksheet
- 10th & 12th Certificates and Marksheets
- ITI Diploma/Professional Certificate (min. 2/3 years duration)
- Aadhar & Passport (front & back pages)
- Experience Letters/NOC from employers

Selection Interview Dates

First Round: 1st - 15th May 2025 (for August 2025 joining)

Second Round: 16th May - 15th June 2025 (for September 2025 joining)

The German partner will facilitate direct interviews with prospective employers. Successful candidates will receive comprehensive onboarding support.
