

Career Opportunity: Kindergarten Teacher Positions in Berlin, Germany

Propel Overseas is currently pre-screening qualified candidates for multiple kindergarten teacher positions in Berlin, Germany. This comprehensive document outlines the position requirements, application process, and financial considerations for prospective applicants. The positions are available for immediate intake in September 2025, with preference given to candidates who possess **B2-level German** language certification.

Position Details and Requirements

Role Specifications

The kindergarten teaching positions are full-time roles located in Berlin, Germany. Currently, there are between 8-10 vacancies available at a reputable kindergarten school. The position entails working with young children aged 0-6 years in an early childhood education setting. Successful candidates will be expected to work approximately **160 hours** per month and will receive a competitive salary of €20 per hour, equating to approximately **€3,200 per month** gross. The position includes generous benefits, including 30 working days of annual leave plus additional government holidays.

Candidate Requirements

Educational Qualifications

Candidates must possess either a Bachelor's degree in **Early Childhood Care Education** or a Bachelor's degree in any field supplemented with a Bachelor of Education (B.Ed). These qualifications are essential for meeting the German educational standards for kindergarten teachers.

Professional Experience

Applicants should have between 2-10 years of experience working as an elementary teacher or early childhood care educator. Preference will be given to candidates with specific experience teaching toddlers, kindergarten students, or providing individual tutoring and coaching to young children.

Language Proficiency

A B2+ level German language certification from recognized institutions such as Goethe, Telc, or OSD is mandatory. The certification must be recent (within the last 3 months), and candidates must demonstrate very good speaking and listening proficiency. This requirement is non-negotiable due to the need to communicate effectively with young children and parents.

Additional Criteria

- Age Requirement: Candidates must be between 22 and 30 years of age
- Driving: While not mandatory, having a driver's license is preferred
- Interview Process: Interviews will be conducted on a first-met, first-selected basis, so early application is encouraged
